YSAFE SCHOOL SUPPLIES - 2011-2012 SCHOOL YEAR

All HISD Charter School and Private Charter School students from pre-kindergarten through eighth grade will need to buy school supplies for the upcoming school year. This year, in lieu of a detailed school supply list being handed out to each grade like we usually do, we will require that each student pay a \$20.00 school supply fee per semester.

This fee will cover the cost of school supply items like paper, crayons, pencils, erasers, rulers etc., and will ensure that each student has supplies for classroom needs. It will also make it easier for us to store items as we need them and not have to keep track of which students have some supplies and which ones do not. Since we will be able to buy these items in bulk we will get greatly discounted rates which will in turn end up saving you more money. As you know school supplies cost more than \$20.00 per semester.

You can choose from one of two ways to obtain your school supplies.

Method 1

1. Go to any Walmart
2. Buy one gift card valued at \$20.00 for each student attending school in the fall semester. (NOTE: You can either buy one card each semester or buy one in the Fall and another one in the Spring)
3. Bring the card to us at the school. We are open Monday to Friday, 6:30am to 6:00pm
4. The card will be linked to the student's account. There will be nothing else to do.

Method 2

1. Go to our website www.ysafe.org
2. Find the PARENTS menu tab and select YSAFE PTO to go to the payment page <http://www.ysafe.org/School2/Parents/PTO.php>
3. Scroll down and select from the drop down list the option for School Supplies (4th and 5th options).
4. Make your payment. We get an automatic notification. There will be nothing else to do.
